The ((V.I. Series)) is made specifically for learning to play music in a solo or chamber music setting. ((V.I.)) stands for Variable Instrumentation, and the performer can play this solo, no matter what instrument!

Accompanying each piece in the ((V.I. Series)) is a CD with which the performer(s) can practice their part(s).

The CD has the following tracks:

1. Solo, at tempo (preferred instrumentation - French Horn)
2. Solo, at tempo, with metronome and count-off
3. SLOW (♩=100) Stereo Split Practice Track**
4. MEDIUM (♩=120) Stereo Split Practice Track**
5. AT TEMPO (♩=90) Stereo Split Practice Track**

**Split Tracks use stereo [LEFT] & [RIGHT]

Solo is on the [LEFT] channel

Metronome click is on the [RIGHT] channel

With this method, one can practice his/her part at different tempos either with or without a metronome click track.
